___Retired ___Will retire in PERS system ____Will retire in private sector plan

What do you believe the most important goal of the PERS Study Commission should be?
_____
_____

Your biggest concern for the state's retirement plan?
____Preserving the current level of the cost-of-living adjustment
____Ensuring that benefits promised to retirees can be paid in future years
____Ensuring fairness among taxpayers and retirees
____Preventing any potential tax increases needed to cover increasing costs of PERS
____Realigning the costs of PERS so that other state priorities, like education, can be funded at higher levels
____Preserving the current benefit structure of the PERS plan
____Other: (Please explain)_____
_____
